

Mario Romano Piano Tuning in Action

Mario Romano is also a very accomplished pianist in addition to his tuning skills.

A piano must be tuned on a regular scheduled basis to maintain the correct pitch, resonance and tone quality.

Mario Romano is a professional piano tuner and master musician that can bring out the best in your instrument.

Mario can make a good piano sound better because it is in tune.,.

Mario carefully listens for the correct pitch.

Mario uses modern technology to fine tune the piano.

Specially crafted instruments are used to make these fine adjustments.

Each key is adjusted individually.

Mario inspects all internal parts and makes repairs where possible.

Mario will test the keys for responsiveness.

You must have the right tools to do the job.

Quality takes time.

The 88 keys, damper and other moving parts are adjusted as needed.

There are no shortcuts to quality,.

Mario has tuned many professional pianos including Fox8, The Townsman Orchestra, Suburban Pavillion, and Melting Pot Orchestra.
